OBJECTIVE

My objective is to maximize my programming culture, either with tools, algorithms or new languages.

WORK EXPERIENCE

TEHNOCOM Iiv   July 2017 — October 2017
Administrator/Programmer

- Worked on 3 online shops based on MySQL, PHP, HTML and some CSS

Location: Focsani, Vrancea, Romania

Amazon Inc   July 2018 — September 2018
SDE Intern

- I had a full-time intership experience in which i developed a intern project: Build from scratch a API for a web-app like dropbox designed to manage resources entirely built in AWS with JAX-RS.

Location: Iasi, Iasi, Romania

Newroco   Jun 2019 — Sept 2019
Web Developer

- Worked on few projects on wordpress and VueJS. Two wordpress pages and a progressive web-app to keep the mileage recording of rented or owned cars of lawyers that had to be on the go

Location: Iasi, Iasi, Romania

Signant Health   Dec 2019 — Mar 2020
Associate Data Clinical Coordinator

- Besides performing desk work and solving ticket like requests i created a extension that can speed up the process and make it more secure. I was not paid for this extension, it was meant for 2 reasons: learning and helping. I discovered more about JS and helped the team deliver more workload with this extension.
